

THANK YOU GOD

Lyricist: Chad Daugherty

I- I was of the world, running from the truth
Embracing my sin and rejecting You
I thought I had life's answers
But I never knew
The greatest Truth given is found in You.

Chorus:

Thank You, God for this life You saved.
Thank You, God that You made my way.
Thank You, God for the things I see.
Thank You, God that You live in me.

Refrain 1:

I never imagined how my life would be
When I gave You my heart
and You set me free
The old is gone, and the new has come
My life has changed,
and now I've been reborn.

Chorus:

Thank You, God for this life You saved.
Thank You, God that You made my way.
Thank You, God for the things I see.
Thank You, God that You live in me.

Refrain 2:

I've started a journey that never ends
I was far away from God,
but now we're friends.
I know there'll be struggles that I will face
I never have to worry
'Cause I'm in God's grace.

II- One day, I'll join
With the angels and saints.
Before Your throne to give You praise.
I'll look back on my life

and what You've done.
Sin has lost its grip on me
Because of Your Son.

Chorus:

Thank You, God for this life You saved.
Thank You, God that You made my way.
Thank You, God for the things I see.
Thank You, God that You live in me.

Refrain 1:

I never imagined how my life would be
When I gave You my heart
and You set me free
The old is gone, and the new has come
My life has changed,
and now I've been reborn.

Chorus:

Thank You, Jesus for this life You saved.
Thank You, Jesus that You made my way.
Thank You, Jesus for the things I see.
Thank You, Jesus that You live in me.

Bridge:

Thank You for Your endless love.
Thank You for Your perfect peace.
Thank You for Your righteousness
through faith in Christ.
Thank You for Your goodness.
Thank You for Your faithfulness.
Thank You for Your sacrifice and
Your saving grace.
You deserve the glory, oh Lord!

Thank You, God for this life You saved.
Thank You, God that You made my way.
Thank You, God for the things I see.
Thank You, God that You live in me.
Oh Thank you, God.
