HE IS MY GOD
Lyricist: Chad Daugherty

I- This road of life I've traveled
has led me far from home.
I've faced trials and battles
everywhere I've roamed.
Dark clouds gathered around
and tried to steal my faith.
But the cross of Christ enables me
To rise up and say,
Chorus:
He is my God
Every day and every hour.
He is my God
Who fills me with His power.
He is my God
Who walks with me.
He is my God
Who has set me free.

II- The Lord God is faithful
and He is made a way.
For me to overcome this world
So I kneel down and pray.
Jesus my Lord, and King
Saved me from my sin.
The battle still rages
but in the end I win.
Chorus:
He is my God
Every day and every hour.
He is my God
Who fills me with His power.
He is my God
Who walks with me.
He is my God
Who has set me free.
Bridge 1:
Jesus is my God and will always be.
Jesus is my King who reigns over me.
Jesus is my God who knows my name.
He died for me, and now I am changed.

Jesus is my God and will always be.
Jesus is my King who reigns over me.
Jesus is my God who knows my name.
He died for me, and now I am changed.

III- One day His bride will hear a trumpet call.
And Jesus Christ will raise us all.
Up in the air to meet Him there.
I'll be home and bow before His throne.
The heavenly hosts will sing,
(and) the saints will rejoice,
I will lift my head
and cry out with my voice.

Chorus:
He is my God
Every day and every hour.
He is my God
Who fills me with His power.
He is my God
Who walks with me.
He is my God
Who has set me free.
Bridge:
I'll praise Him for His mercy.
I'll thank Him for His grace.
In His Holy Presence,
I will live each day.

I'll praise Him for His mercy.
I'll thank Him for His grace.
In His Holy presence,
I will live each day
Chorus:
He is my God
Every day and every hour.
He is my God
Who fills me with His power.
He is my God
Who walks with me.
He is my God
Who has set me free.
He is my God, for eternity.
